CENTRAL PAYS TRIBUTE

ALUMNI in good number have gained places in Central's halls of fame — some with names on cups, some with pictures in the swinging files near the auditorium. But names of all are registered in the memory of classmates and teachers and each leaves a part of himself behind. Many serve, and many are honored. To be a great alumnus, the proper step is to be a great pupil. Hats off to honored Centralites!

These boys and girls are arranging the flowers for the War Memorial erected during World War II to honor Central boys and teachers who served their country.

Central Honors Alumni

CENTRAL honors representative alumni who have excelled in their various fields.

TOP LEFT: Associated with Industrial Photocopy, Inc. are Ronald Meeks, '46, sales manager; Chris Salomon, '41, president; and Loann Hoepfner, '46, secretary. TOP RIGHT: Representing home-makers, with their children, David and Joel, are Mr. James DeSelm, '43, and Mrs. DeSelm, who was Betty Lash, '47. MIDDLE: Attending the Christmas tea for alumni students in college are Richard Hoops, Norma Ruth Smith, Elma Matthias, Margaret Fetters, Pat Heingartner, senior, helping with arrangements, and others who returned from the campus. LEFT: Sol Rothberg, '28, has climbed the ladder of success to become a prominent lawyer. RIGHT: With his nurse is Dr. Maurice Rothberg, '25, eye, ear, and nose specialist, well known in medical circles.

Gaiety, Then Tears

THE CLASS of 1953's four years at Central came to a tearful close on June 11 at the North Side auditorium. The speaker for the graduation was Dr. Henry H. Crane. The diplomas were presented by Miss Meribah Ingham, Mr. Ralph O. Virts, and Mr. J. Wilbur Haley. A stirring farewell was given by Eileen Carpenter, class vice-president. Miss Marie Lebamoff and Mr. Maurice Ashley were the class sponsors. This class will hold its place in Central's halls of fame.

TO BE ELECTED to the National Honor Society is one of the highest honors a graduating senior can receive. Members are judged on leadership, service, character, scholarship and chosen by the faculty from the upper 15 per cent of the Senior Class. The Best Boy and Best Girl Citizens were voted upon by the school body, and were announced, along with Honor Society, in a special school assembly April 15.

THANKS TO TEACHERS

WHO'S Valedictorian? Who's Best Citizen? Who's Blanket Man? These seniors have their names inscribed in the halls of fame, only with the help of the teachers, who, by virtue of training, experience, and talent, also deserve places on the roll of the famous. Pupils share with teachers adventures into new fields of learning. More important, the lessons not in books, the counseling, and the individual help from teachers add much to the high school experience.

In Chemistry class, Roy Bromelmeier, Bob Deihl, Jim Vice, Jack Guthrie and Jack Wilson are making distilled water.

Lively Group: P-TA!

THROUGH our school year the Parent-Teacher Association strives to bring closer relations between the home and school, that teachers and parents may co-operate intelligently. This year the P-TA Study Group discussed problems of the home and school. They held a bake sale, a square dance and a rummage sale as money makers for the year. Besides all that, they also had a family potluck, the Junior and Senior tea, and various other activities.

Our Friends, Adults

The students of Central are indebted to the adult personnel in the offices for help, aid, and advice they receive. For example, Miss Brigham, guidance director, is always helping the students make their choice in their programs. Miss Keep sees that her staff prepares hot lunches for us in the cafeteria. The janitors work every day to keep our school neat and clean. All serve to guide and direct.

SOCIAL STUDIES

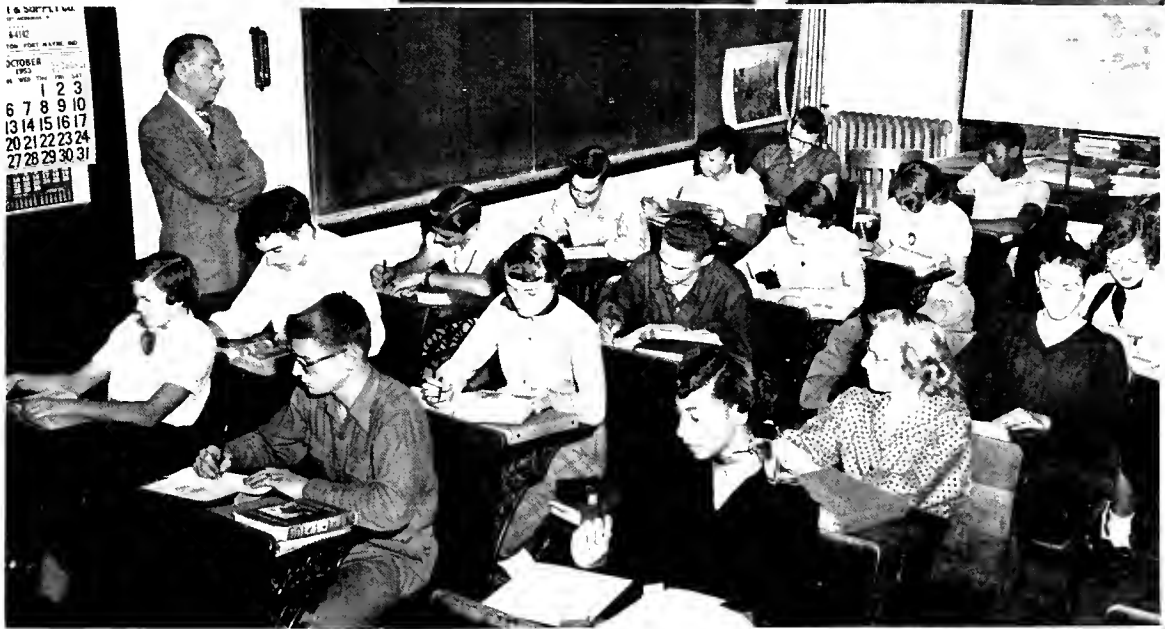

CENTRAL'S SOCIAL studies include United States history, world history, sociology, government, economics, freshman orientation, freshman civics, Indiana history, which is open to seniors, and, when enough students elect, a course in South American history. The purpose of this department is to give us information on our nation's position in world affairs and other nations' positions in these affairs. These subjects are also given especially to make us better citizens in our democratic ways of

FOR CITIZENSHIP

life. The government classes take special trips to show the students some of the actual work connected with the government. They took field trips this year to the city hall, to the federal court house, to the post office, and to the water works plant. Economics classes took special trips to the bank and industrial organizations to show how actual business is carried on. This department sponsors the Anthony Wayne Club under the direction of Mr. Richards.

ENGLISH

ENGLISH at Central offers us the rare privilege of seeing our cultural heritage in perspective. It gives us an opportunity to meet great writers and to study their words of wisdom—words which blazed the trail of our civilization for our place in the roll of the ages. We are as sure as Lady Macbeth that:

"Naught's had, all's spent,
Where our desire is got
Without content."

We agree with Carl Sandburg that Abraham Lincoln "was at home in the clay" of Indiana. We trudge the hills of Kentucky with Jesse Stuart and learn about the honesty, integrity, and forthrightness of his people. We tap out the rhythm of ballads and lyrics and walk with Goldsmith through "The Deserted Village."

CLASSES

Our toes tingle as John Milton calls out to Mirth:

"Come and trip it, as you go,
On the light fantastic toe."

Back, back in time we go to ride the waves with Odysseus and hear him say:

"I am a part of all that I have met."

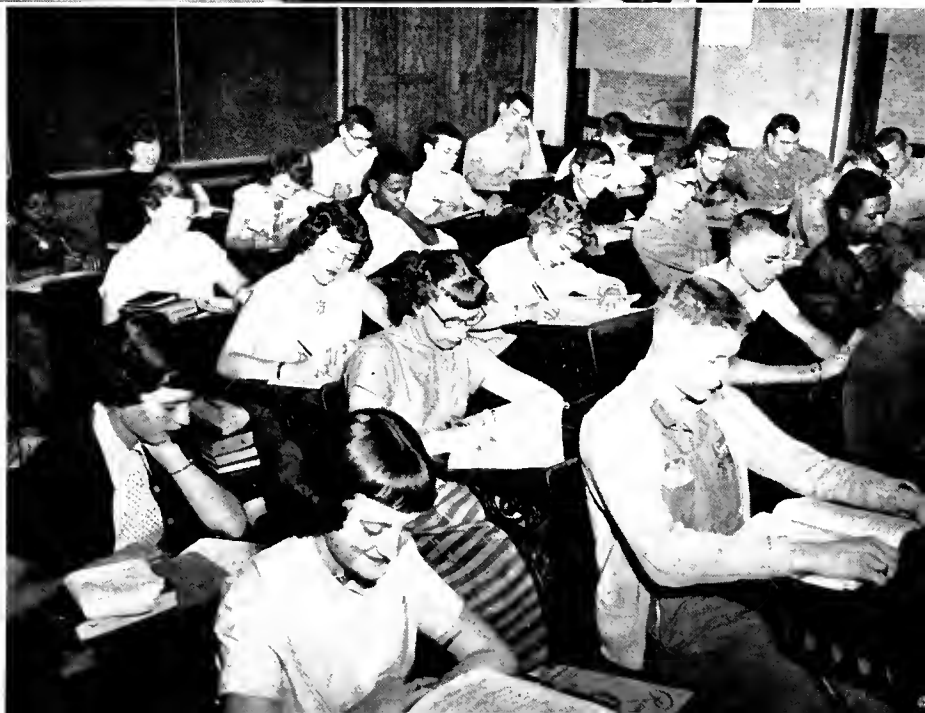

Oh, yes, and to this star-studded processional we can add the pageantry of an English tournament. Look to your laurels, athletes, while we give our allegiance to Ivanhoe on the field at Ashby. Finally, we stand before King Arthur as he grasps the hand of Sir Lancelot and asserts in absolute faith that:

"Man's word is God in Man."

On and on we go adding illustrious names and ideas to our Halls of Fame.

BOYS GAIN MUCH

INDUSTRIAL ARTS is a phase of general education which deals primarily with the development of valuable habit, attitudes and knowledge which help build desirable personalities. Industrial arts builds toward effective utilization and appreciation of the materials, processes, services and products of business and industry. The classes are laboratory classes working with materials and information in an effort to understand our

FROM OUR SHOPS

total life environment intelligently. Central High School areas of Industrial arts are auto mechanics, drafting, electricity, machine shop, welding, and wood working. Industrial arts is carefully supervised exploratory experiences whereby pupils may gain knowledge to more wisely choose a future vocation.

Vocational Education is for pupils who have definitely chosen their vocation, and their training must go

beyond Industrial arts. Vocational Education gives specific training for employment in trades, industry and business. Vocational Education develops definite habits, skills and information so that the student will be able to enter his chosen vocation with reasonable assurance of advancement.

No high school offers greater opportunities in this field of instruction.

ART FOR LIVING

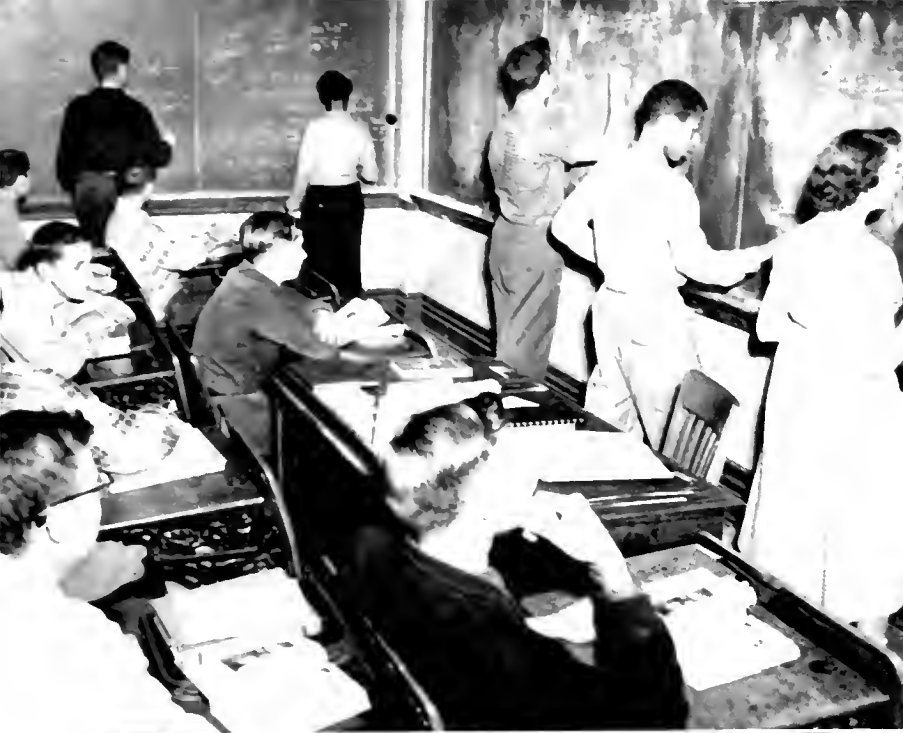

The art department offers a complete four-year course. It specializes in six fields, sketching, ceramics, lettering and poster, figure and fashion, painting, and interior decorating. We feel that our art courses equip the pupils for better living in homes and work situations and for happier, satisfying personal life through broadened experience in hobby and cultural activities. Art teaches better living.

TOP RIGHT: Miss Hutto shows her sixth period art class, which consists of Central and Central Catholic pupils, Christmas ornaments. MIDDLE: Miss Acker's period 6 class is working on pen and ink sketching. RIGHT: Working on stencilings, are students of Miss Acker's third period class.

MATHEMATICS

MATHEMATICS gives the pupil mathematical knowledge necessary for the ordinary affairs of daily living, and also provides sound training for future leadership in mathematics, science, and related fields. One year of either general mathematics or algebra and geometry is required for graduation. A minor consists of one year each of algebra and geometry or one year of general mathematics and one of algebra. Advanced algebra and solid geometry are added to the first sequence for a major. College algebra and trigonometry are offered in the senior year.

Top: Several of Mr. McNeely's advanced algebra students put equations on the board. **Middle:** In Miss Plumanns' geometry I class, Ken Mays explains and proves congruent triangles while Gloria Burkett, Bill Lindley, and Ruth James criticize. **Left:** Mr. McNeely and his class are having a class discussion on advanced algebra problems.

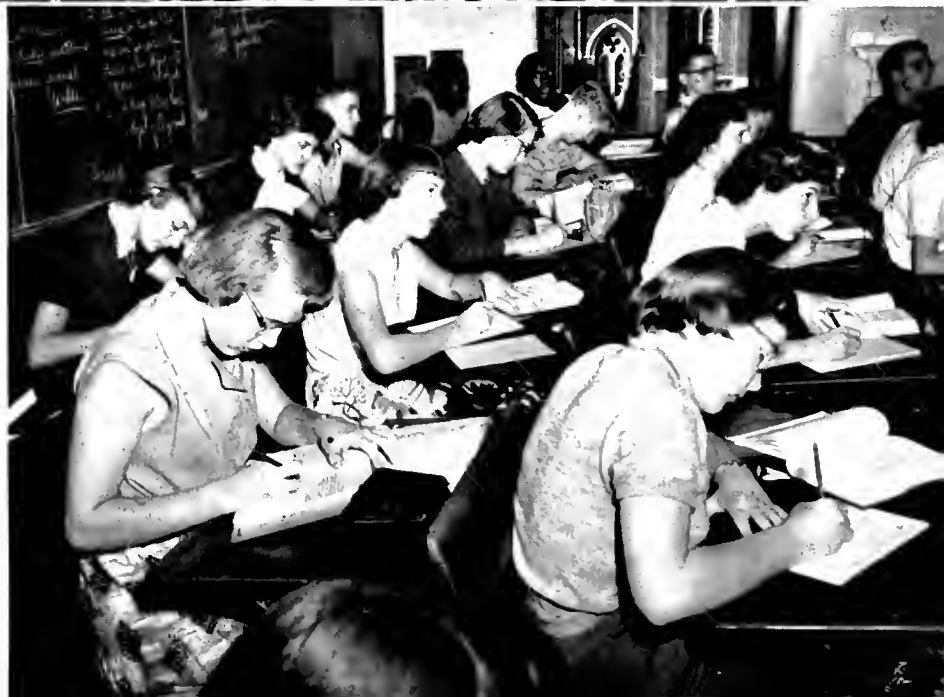

FRENCH, LATIN

THE PURPOSES of other languages are to improve one's English and to give one an insight into the understanding of other nations and civilizations. It develops perseverance, exactness, and other valuable mental habits. Language can be used as a source of enjoyment when eventually one is able to read the literature of that language. Both French and Latin are offered each semester. Students use our modern library to get added information of various kinds of subjects.

UNGRADED ROOMS

THE TWO ungraded home rooms at Central High School have a total of 54 students. They study English, math, citizenship, and shop or home economics. Much of the English work is in remedial reading. In some classes, the work is entirely individual help to meet special needs. Their many projects, lessons, and recitations serve to make these boys and girls more useful citizens in our city and country.

BOTTOM: Mr. Arnold's citizenship group in Room 103 are giving answers to a question of government. This course is given in preparation for orientation and civics classes.

HOME ECONOMICS

THE HOME ECONOMICS department is set up to meet the needs and interests of the individual girl or boy, in personal growth and development, physically and mentally and in social relationships, both within and outside of the home. A pupil may take courses in food, clothing, child care, family relations, and home management. It is possible for a student to make a major or a minor in home economics.

BUSINESS PUPILS

THE BUSINESS department is divided into three divisions: Stenographic, clerical, and distributive education. Each student is counseled individually as to the branch he wants to take, for which he is best suited, at the end of the sophomore year. Mr. Windmiller, head of the business department, looks over the choices of each pupil and recommends the course in which he is most likely to succeed. At the same time he tells him what the school expects of him

in this course. In order to give information about the business world, all three of the branches are taught. Those who enter the stenographic branch are taught mostly shorthand and typing for specific jobs. Clerical practice, business law, and other subjects pertain to office work. The distributive education branch teaches behind-the-counter selling. The business department not only trains for business jobs, but also gives business information for general use.

HEALTH EDUCATION

THE PURPOSE of health and safety education is to instruct youth so that they may conserve, improve, and protect their own health, and to establish in them the habits and principles of living which will assure abundant vigor and vitality needed to provide the basis for the greatest possible happiness and service in personal, family, and community life. Health and safety hold their places in the modern curriculum. Here is training for life.

LEFT: Here, Ken Brown explains the nature of the atomic bomb to the class.

SCIENCE CLASSES

SCIENCE EDUCATION provides basic training for living in an age when advancement in science is rapid. Science acquaints one with the physical and biological world of which he is a part. The scientific attitudes to be developed include open-mindedness, tolerance, cautious judgment, and a desire to learn. Many elect more science than one year. The following are science courses: Biology, physical geography, meteorology, physical science, advanced biology, physics, and chemistry.

EVENTS LEND COLOR

OFTEN the greatest experiences in high school life are on the stage, on the pep session floor, at the dance. At these scenes of action are manifested courage, planning, and originality, resulting in a sense of achievement for those who serve. The Prom, the tournament pep session, the vaudeville, all are educational projects strengthening the personalities of those who take part. Colorful events keep in balance the school and they maintain the high morale of the student body.

Taking care of their booth are Pat Jobes, Barbara Highlands, Ruth James, and Jerry Keener. Shaving the balloon is Jack Lehman. Shaving the balloon is only one of the many events at the Sophomore Carnival.

We Shall Remember 'Moonlight and Roses'

"MOONLIGHT AND ROSES" was the theme of the Junior Prom May 16, 1953. The charming queen was Judy Adams and her attendants were Joane Basen, Gloria Bohde, Janet Boltz, Sharon Borcharding, Eualeen Johnston, Patricia Miller, Janice Peterson, Patricia Skiles, Barbara Smith, and Elaine Spriestersbach. The queen was crowned by Lois Scheimann, the former prom queen. The crown bearer, carrying the beautiful crown, was Linda Sue Vervaline, Pat Skiles' niece. Judy had her first dance with Herb Nagel, Junior Class President. The Cafeteria was gayly decorated with roses and silver moonlight. The attractive queen was seated in the center of a large beautiful pink rose, which indeed blended well with her lovely formal of white net. The night was enchanting and all remained to dance to the music of Tom McComb and His Orchestra until midnight.

Real Beauties, the Boys

"NIGHTMARE FOLLIES" was the theme of the Poor Man's Prom, held April 17, 1953. The boys were judged on their appearance. The judges were Miss Marie Lebamoff, Mr. Clifford Richards, and Mr. Carl Wampole. Bob Renner was chosen Queen after "very careful" consideration. Queen Bob reigned over his court until the end of a perfect evening.

Boosters Honor Our Teams

THE PEP Sessions are something we always look forward to and this year was by no means an exception. The Booster Club gave the Valentine Pep Session for football, basketball, and track members in grand style. Candy was given to the teams and coaches. The Seniors also gave a very good pep session with a foreign tang. Those pep sessions given by the cheerleaders and Band were usually given before the "big" football and basketball games.

Christmas Comes Again

THE SPIRIT of Christmas was evident throughout Central's halls. The Art Club did a clever job in the school halls, and the tree in the center hall was the best ever. The Annual Christmas program was held in the gym, transformed into a beautiful church. This year 22 families were given Christmas baskets by the students of Central High School.

First Fall Formal!

FOR THE first time, Central's seniors had a fall formal. The theme of the formal, November 7, was "Crystal Cotillion." The decorations consisted of a huge ball located in the center of the ceiling, made of tiny square mirrors, which threw out lights in different shades of blue, pink, and white. There was also a terrace, beautifully decorated with glittering flowers, where the refreshments were served. All who attended, danced under the spell of Hal Kern's Orchestra.

Dramatics Brings Talent

THIS YEAR'S dramatics schedule has been the heaviest in the history of Central. The schedule consisted of "The Robe," which was one of the best of all the plays given. Some of the play's leading performers were Tom Richards as Marcellus, Judy Adams as Diane, and Henry Price as Caligula, Captain Fuvius and Stephanos. "Nine Girls" was another outstanding play. Leads in this play were Deanna Cook as Mary, Mary Shull as Shot Put, and Carol Scheimann as Glamorpuss. The Junior Play,

"My Little Margie," was a great comedy. Marilyn Jeckel portrayed Margie, Tom Richards, father, Dave Beer, Mr. Honeywell, and Dave Fox, Freddie. Other plays this year were "Julius Caesar" and "I Love Lucy," this spring's Senior play. Central's plays reflect the wonderful help of Mrs. Helen Lee, director. The stage hands did effective work in staging.

SPORTS BRING FAME

FOOTBALL, basketball, and track heroes stand out in our halls of fame, and deservedly so, after gruelling seasons of practice, hard-fought games, long trips. These young men do more than build morale at games; they set examples of winning over odds, of accepting defeat without rancor. We enjoy the expert ball handling, dazzling plays, and fast action. Sports are a definite part of the high school life.

Tigers Win First and Last Football Clashes

HARD WORK, sweat, and determination brought a fairly successful season to the Central gridiron. To start the season with a

"bang," the Tigers, led by Tom Knox, Henry Price, and Larry Sparks, tromped the Concordia Cadets with a 34-0 decision. Central Catholic gave a hard-fought battle which ended in a scoreless tie. After dropping a game each to South Side and New Haven, the Tigers fought heartily to a 6-0 defeat by North Side. The Bengals continuing the downward spin, dropped two more games, and then showed their ability by defeating Decatur in the final game, 39-0. Maybe they weren't state champions, but their fighting spirit always stands. This year marked the debut of Coach Waveland Snider as head football coach. Practice began in August for a gruelling season of games, all played under lights at night.

Gridmen Rough and

BRRRR! This weather is cold! This is only one of the many expressions heard as the football season gets underway. This is the time of the year the heavy coats, blankets, wool scarves, mittens, and other wearing apparel come out of moth balls. The typical yells such as "Beat 'em Central, Beat 'em!" are heard strong and loud. The crowd goes wild running and jumping up and down, chanting their favorite cheers and songs. Cokes, hotdogs, taffy apples, candy,

and popcorn make their grand debut with all the fans. Fans both large and small, old and young always munch on something. In one end of the park a few fellows are arguing, in another the people are all happy, while on the losing side there is a bit of silence. All of this goes into the making of a football game. But what is all of this without school spirit? Central has a spirit to be proud of. It doesn't matter how the teams come out; win or lose, the fighting spirit of Central will always be boosting her on.

Freshmen Shine, 15 Wins

THE FRESHMEN basketball quintet being tutored by Warren Eviston had a spectacular season with a 15-3 record. Coach Eviston was greatly surprised to find such a great record because the Blue team compared with others lacked height. The Baby Bengals ran wild for 10 straight victories. This makes a promising varsity squad in 1956-57.

THE SCENE of our story changes fast from the gridiron to the basketball floor. It took time for the Bengals to get rolling along, and it also took extreme effort and furious ball playing to stop them. Yes, you can remember the days when Central just couldn't click together, but other days they looked as though they just couldn't be stopped. The City Series? It wiggled out of the Tigers' tight hold in the same manner as it did last year. During the city play the Banetmen defeated every city team at least once. There were games where they were rated the underdogs, but with tough playing, effort, and determi-

nation they were the victors. During the turmoil of excitement and laughter the Bengals bowed out, but put up a hard fight for the Sectional title. They can boast the feat of having a 15-8 record. So there's one good lesson taught — NEVER SAY DIE, TIGERS.

RESERVE TEAM WINS MOST GAMES

CENTRAL'S RESERVE squad ended their 1953-54 season with a record of 15-3. This was an identical record with the Frosh. This record looked very good compared to last year's 8-7. The "Snitzmen," ten sophomores, make Central's future varsity squad experienced and ready.

Central cross country completed a successful season on October 31. The team won seven of their eight meets against Concordia, Central Catholic, South Side, and Fremont. The only defeat was against mighty North Side. We placed second in the Sectional, North Side 30, Central 38.

In the state meet at Indianapolis, we placed 15th with 289 points. The boys representing our sectional and state teams were Bob Curts, Clarence Dixie, Jack Wims, Don Chivington, Chuck Curts, Dick Menefee, Ken Anspaugh, Odell Wyatt, Jim Salisbury, and Ed Kammeyer. Coach Lester Williams did a great job bringing the cindermen to victory. The prospects for 1954 are good.

Eight Activities Challenge Girls to Action

The girls in GAA may participate in eight activities. In the fall semester, for six weeks each, they may play volleyball, basketball and kinball. The first two grade periods of the spring semester are divided among square dancing, tap dancing, tumbling, and swimming. Then for the last grade period, they play softball.

MANY AWARDS are offered to GAA members for their accomplishments. For numerals and letters the point system is 400, 700, and 1300 points respectively. The sweaters require 2000 points. These awards are made by "Sis" Arnold and Miss Emma Adams at the annual Recognition Day Program. All Central girls are invited to compete in GAA.

1600, ALL DIFFERENT

NO CUPS, trophies, or pictures commemorate this most valuable factor of greatness in our halls of fame — old-fashioned friendship among the 1600 pupils of the student body. To Central come boys and girls of all types, abilities, and personalities, but each is a friend to the next. Each pupil stands on his own feet and is so recognized by teachers and classmates alike. Any pupil who comes to learn and to get ahead will be honored at Central. Here is democracy in action.

This year, Central formed their first effective cheering block, during tournament time. The girls dressed in dark skirts, white blouses, and blue derbies, and the boys wore dark pants, white shirts and blue derbies. This group is doing the motions to "Ricochet."

Final plans for the annual Sophomore Carnival are being made by Shirley Shroyer, vice-president; Ernie Romanowski, president; and Deanna Cook, secretary-treasurer. The Sophomore Carnival offered an enchanting evening for all who attended. Its main attraction — Liberace! A lot of credit should be given to Ernie and the Sophomore Congress, Miss Brown, Mr. Dornte, and the entire Sophomore Class for the best carnival ever.

The members of the Freshman Congress are putting together their ideas for a grand freshman party held December 4, 1953. This was their first time at planning a social meeting together, and they did a fine job of it. It was well attended, and an outstanding feature was the "bunny hop." Mrs. Chausse and Mr. Guenther, class advisers, helped plan a good party, but a lot of credit goes to the Freshman Congress and the Freshman Class.

WHAT'S SCHOOL SPIRIT?

SCHOOL SPIRIT? What is school spirit that characterizes our halls of fame? Real school spirit means serving the school, willingly, doing what you are not required to do. There lies the spirit of good citizenship in the program of club and activity work at our school. The club officers and the active committeemen are those who in later life will serve their churches, families, communities to make life more happy for all.

The initiates and officers of Friendship Club form a triangle during the formal initiation, representing body, health, and mind.

Strings, Reeds, Brass Blend in Finest Music

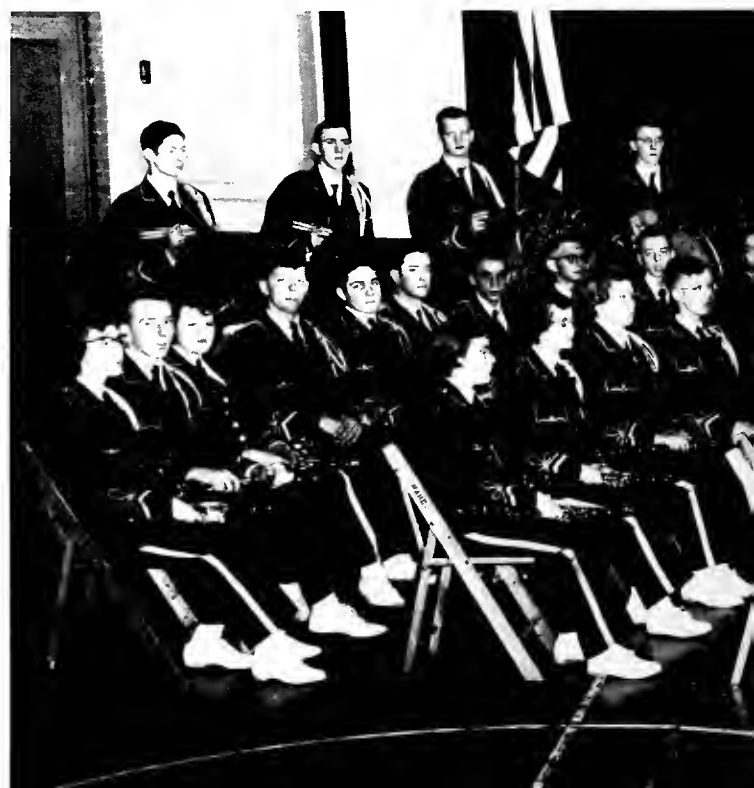

IN MR. STODDEN'S three years at Central, he has brought light to the music department. Our Band and Orchestra have risen to their peak both in size and musicianship.

Our orchestra has increased in size this last semester. Mr. Stodden hopes there will be a large number of Orchestra students entering from various grade schools. There are three big concerts given for the student body and parents in which the Orchestra plays. They usually last as long as one hour or one and a half hours. Besides giving concerts in school, the Orchestra plays for various organizations outside of school. A string quintet went to North Manchester to give a concert to the mothers of the Manchester College students. The Orchestra practices daily fourth hour.

Central is proud of her Orchestra.

OUR BAND, under the leadership of Mr. Elbert Stodden, has gone far in the musical world. The purpose of the Band is to increase school spirit and to teach the best in music. The Band plays at all of our football and basketball games. This year they won first place in the division marching contest at New Haven. This semester there are only seven seniors in the Band. For the first time this year, the Band took a Concert tour trip, March 19, to Bronson, Sturgis, and Battle Creek, Michigan. The highlight of the trip was playing for the Veterans' Hospital at Battle Creek. At home, the Band played in three concerts, for both the student body and the public. A dance band formed by several band students has made appearances at dances and the Speech Vaudeville and has made a good name. Being at school at 7:30 a.m. is nothing unusual for the members of the Band. Their practice begins while some people are still sleeping.

Fine Choirs, Great Music

THIS YEAR the Choir gave three major concerts. In public appearances they sang at the Lincoln Tower and at churches on numerous occasions. They also sang in the Easter and Christmas programs. The Choir is made up of 75 voices and rehearses every day second period. The new addition to the many different groups this year is the Boys' Quartette. In state competition contests a number of honors were won.

We Make Friends

FRIENDSHIP CLUB is only one of many Y-Teen clubs in Fort Wayne. It was organized in 1916 and now has a membership of 53 girls. The club meets every second and fourth Thursday of the month. The club teaches how to face life squarely, to find and give the best, to aid members in developing mentally, spiritually, and socially. Several highlights of the club were the formal initiation, a welcome party for the freshman girls, and a Christmas party. Special work projects were the World Fellowship project, the Y-Teen Spring Banquet, and the Tournament Twirl. The advisers, Miss Marie Lebamoff and Mrs. Lorraine Davis, do a wonderful job in leading the girls.

TOP: Miss Lebamoff serves punch at the Christmas party. In the picture are Miss Horner, Y-Teen director, Leola Yeager, Mrs. Watson, Sandy John, and Barb Carpino. MIDDLE: The girls of Friendship Club pick up pamphlets from the Leisure Electric Home tour. BOTTOM: Opening their Christmas exchange presents are these happy girls.

Busy Library Girls

LIBRARY SERVICE CLUB was organized in 1936 to enable the library to function efficiently and to give valuable training to those who help in the library. At present there are 20 members. Mrs. Dorothy Vallance is adviser of the club. Every member works one period a day or before or after school. Special social highlights of the year were their Halloween and Christmas parties in the fall and their St. Patrick and Spring party later.

TOP RIGHT: Mrs. Vallance, adviser of Library Club, heads the table at the Christmas party at refreshment time. Anthony Wayne Takes

THE ANTHONY WAYNE Club consists of 90 active members. Its purpose is to encourage interest in local history, local government, social problems, and to give opportunities to members who enjoy social life. The club's social events this year were a fall trip to Greenfield Village and a tour of Allen County. Other events were a picnic and a family night program where a mock trial was given. Mr. Richards is the club adviser. Thirty-seven members and

Council Aids School

STUDENT COUNCIL is comprised of 64 pupils, representatives from each of the home rooms. The purpose of the Student Council is to practice the ideals and techniques of democracy, to encourage cooperation between the pupils and faculty, also to further the pupils' interest in school. Some of the activities this year consisted of basketball ushering, Bible reading, the Newcomers' Party and the Voice of Central. They sponsored the Christmas Basket program, also recommended new rules for selection of the Best Boy and Best Girl Citizens, and gave their annual dance. Student Council adviser is Mr. Richardson.

We Like Numbers

MATH CLUB develops an appreciation for math and investigates phases for which there is no time in class. It provides social contact between the teacher and pupils. Central's Halls of Fame will long remember Math Club, the oldest high school club in the city, organized in 1913. Miss Ridgway is adviser and Miss Plumanns, co-adviser. The club sponsors students to the Indiana University State Mathematics Contest. Members make projects for the Math-Science exhibit at Purdue. This year was the 40th anniversary banquet of the founding of Math Club. The annual Math Club dance was "Rags To Riches."

A New Start For Us

The Future Business Leaders of America, formerly DEBS, was re-organized this year on a national basis. Meetings are held once a month on Thursday evening under the adviser, Miss Georgia Heal. A work project for this year was to buy flags for all rooms not already having them. During the National Secretaries Week, they planned a reception for graduates who were on the business course at Central. Special social of the year are their dance February 5, the Christmas party, and their initiation party for new members joining the club.

Fun In Latin? Much!

LATIN CLUB has the membership of 45. All students who are taking Latin or who have taken Latin are eligible for membership to the club. The club meets the second Wednesday of each month. The Latin teacher, Miss Vera Baumgartner, is adviser of the club. The purpose of the club is to let Latin students become better acquainted socially, and to use Latin informally. Social highlights of the year are the Christmas party in which they exchange gifts and sing carols in Latin, and their annual spring picnic at Foster Park.

It's Nature for Us

NATURE CLUB was organized in 1940. At the present time the club has 23 members. They meet the first Thursday of every month after school. The purpose of the club is to show members the meaning of nature. Their special project of the year was the dance "Whispering Pines." Conservation was also a special interest. Miss Spangler is adviser.

Terrific, This Play

THE SENIOR play, "Green Valley," of 1953 was of humorous style and full of superstitions. The play included fantasy, fairy tales and down-to-earth scenes. The main characters of the play were Max Witzigreuter, as Eldon Berry; Eileen Carpenter, as Prim Stokes; John Ridley as Everkeel, the villain of the play. Others were Jack Gumbert, Carlene Miller, Dave Fox, Jerry Pace, John Glass, Marilyn Findley, Lois Scheimann. Those working back-stage were Gordon Morris, Herb Matthias, Eddie Lower, Barbara Niebel, and Sally Hirschy, who added much to the play by the lighting and setting.

Love Stage Work!

THIS YEAR students took fresh interest in dramatics and staging. Many new members were taken into stage work, front of and behind the scenes. Loads of credit go to the stage crews back stage. The props, lighting, and costumes committees all helped put on some of the best plays in Central's history. The scenery boys made very realistic scenery for all the plays, which added much to the realism of the play itself. The progress made by all concerned with stage work was marvelous.

Sharp on the Trigger

The purpose of Rifle Club is to teach accuracy and safety in the use of firearms. The club was organized in 1932 and meets every Friday night. The ambition of every boy in Rifle Club is to shoot a perfect score. This means hitting 10 consecutive targets the size of a tack head at 50 feet. This year Richard Mahan leads with 98 out of a possible 100.

Here's the Staff

Barbara Carpino, Central's first two-year editor, showed editorial experience and skill in yearbook planning and picture editing. Editing a book of 160 pages is an adult assignment for any teenager. Her superior work as editor is reflected in the Caldron you are now holding.

Manager Virginia Gomoll, heading the business staff for the second year, handles the financial and business affairs of the Caldron. She sees to it our bills are paid, our budget is met, and our sales drives are pushed. Her successful handling of yearbook finances is a tribute to her sense of responsibility.

THE THEME of this year's Caldron is "Our Halls of Fame." The dummy, made by the editor, Barbara Carpino and the assistant editor, Gloria Smith, was begun in May and completed during the summer with some assistance from Mr. Fleck. First layouts were completed in November. The Caldron staff was complete at all times this year. Many improvements were made on this year's book. Cover protectors are being used this year to protect the beautiful covers. Buying a Caldron has always been an accepted practice of Central students. Everyone graduates with one diploma and four Caldrons.

Pupils Write, Edit Spotlight

OUR SPOTLIGHT has had an All-American rating for the past ten years without exception. It is published weekly as a six-column paper. The work is done entirely by pupils with the help of their adviser, Mr. Fleck. With orders assigned by the editor, the editorial staff with nearly 50 workers, plans, writes, assigns, edits, heads, copy reads, proofreads, and lays out their weekly issue. This staff has two managing editors, each one hav-

ing his paper two weeks ahead. They have other various editors such as two news editors, feature editor, and sports editor. These people assign stories to the writers. The desk and copy editors read the stories before they are printed and write the heads on them. The job of layout editor is to make up the paper every week. Each one has to do his best to publish this paper in the All-American way.

To an ugly mother
whom I have known for a
short time in P. M. (Blanches class)
Keep working on working on the stamps.
Remember all the fun we had in this
damn class. We had a lot of fun squinting
each other and jabbing pins into each other.
Don't work to hard in (Blanches class)
Keep up the good work in your future
years at Central.

Remember Grant.
Remember Lee.
The "Hill" with Thom,
Remember me.

We extend our sincere congratulations to the 1954 graduates of Central High School. We have served Fort Wayne with high class printing for over 40 years. We are happy to print the 1954 Caldron for you.

To George a guy whom I met at Mc Culloch when we were in the 4 grade during those years we had a lot of fun. But now science were in P.E. together we have to work and I know that working is to hard for you.

Keep up the stamp collection as when you graduate (if ever) you will have something to remind you of Blanch. Don't try to mistat you did to anyone else or else they may think you crazy. ^(queen) And now I must close this sad letter
your friend and Buddy always

*In browsing thru these pages, friend
I want to find your name;
So write it here in letters bold
For future halls of fame.*
